**Re: Request for Sub Bids
Solicitation No.: N44255-15-R-6005
NAVFAC Northwest
P983 – Land Water Interface
Naval Base Kitsap, Bangor, WA
Prime Contract RFP Due Date/Time: 5/31/16, 2:00 p.m. (PST)**

Gentlepeople:

Nova Group, Inc., a prime contractor, requests sub bids from all interested small business entities, Small Business Administration (SBA) certified small disadvantaged business entities, including minority and women-owned, HUBZone small business entities, veteran-owned small and service-disabled veteran-owned small businesses in the following areas:

Description:

This project is for the construction of three elevated fixed fighting positions which will provide security for the Waterfront Restricted Area (WRA) Land Water Interface (LWI) and two abutments located at Naval Base Kitsap, Bangor, WA. The two abutments will connect both ends of the landside WRA security system to the existing floating barrier security system. This project will provide Anti-Terrorism/Force Protection (AT/FP) features and will comply with AT/FP regulations, and physical security mitigation in accordance with Department of Defense (DoD) Minimum Anti-Terrorism Standards for buildings. Access to the WRA requires a security clearance. The site is located in areas subject to periodic emergency and security operation drills.

Supply Items Include:

Vendors for fuel, chemical toilets, concrete, aggregates, trucking, laboratory and field testing, waste disposal and surveying, Metal fabrication, steel doors and bullet-resistant components, steel pipe piles, armor rock and reinforced soil slope civil utility pipe and valves, and electrical system components.

In conjunction therewith, those small businesses with the following NAICS codes are solicited:
